Dear Mr. Nguyen:

On June 17th, 2004 you, as CEO of Logistic Systems, Inc., signed a contract with Ravalli County. It is imperative that you and Charlie Stortz personally attend a Commissioners' meeting on the 25th day of November, 2008, at 9 o'clock a.m., at the Ravalli County Administrative Building, 3rd floor, to discuss the problems Ravalli County continues to encounter with Logistic Systems, Inc. (LogiSYS) software, and possible options for rectifying these issues.

After countless internal trouble-shooting and fruitless attempts by your staff to rectify continuing problems since the start of the contract, we have yet to find acceptable solutions. We have ongoing problems with data conversion; data transfer, responder recommendations and printing.

Rather than replace LogiSYS software with an alternative system we want to discuss with you a way to make this software work in dependable manner and maintain it through dependable technical support. We hope we will be able to find common ground as a result of this face-to-face meeting.

Accordingly, we look forward to meeting with you on November 25th, 2008 at 9 a.m. Thank you, in advance, for your cooperation and support.

Sincerely,

Carlotta Grandstaff
Chairperson
Ravalli County Commissioners
